SELECT II

RED CEDAR

HEMLOCK

Step into the new Select™ Line sauna from Sunlight Saunas™ and enjoy a streamlined version of our luxurious Signature™ line. The Select Line gives you the basic infrared sauna experience courtesy of the industry leader in sauna innovation. Take advantage of features like wide frequency carbon heaters, patented magnetic assembly, tempered full glass door, digital dual controls, am/fm cd players, cup holders, magazine racks and towel racks. No matter your budget, anyone can now thrive with ownership of a Sunlight Sauna, the sauna company that cares.
