To Sunlight Saunas:

I have owned your Solo sauna for more than two years and have been extremely satisfied since day one. I set it up in front of the TV, get my bottle of water, cordless phone and remote, and I sauna away the accumulated toxins of the week. I find it is just as effective as my wooden far infrared model. I confidently recommend it to everyone.

Sincerely,

A handwritten signature in black ink, appearing to read "Dr. Carri A. Drzyzga". The signature is fluid and cursive, with a large, stylized flourish at the end.

Dr. Carri A. Drzyzga, DC, DNM
Doctor of Chiropractic
Doctor of Natural Medicine
